MAAYA 2025: Monoacting Participation

17 11/10/2025

PES University, Electronic City, Bengaluru

11:00 am

Two Drama Club members represented NHCE in the monoacting segment at MAAYA 2025. Each performer explored a deeply emotional character narrative and used the stage to reflect powerful social realities.

Bhavya Nilakshi performed the story of Paari, a young child exploited through forced begging and labour. Her portrayal brought forward the harsh truth of stolen childhoods and the silent suffering faced by many. The audience connected with the vulnerability and emotional honesty of the performance.

Sainithin P performed the role of Aadhya, a transgender woman who overcomes adversity to become a successful film director and live her truth with dignity. The journey from struggle to fulfilment created a strong emotional wave across the room.

Sainithin earned **Third Place**, bringing recognition to the Club. The participation demonstrated courage, representation and storytelling driven by empathy and truth.
