

NEW HORIZON COLLEGE OF ENGINEERING

SARGAM 2024: Nukkad Natak Competition

 **29 November 2024**
 **CSE Quadrangle, NHCE**
 **11:30 AM**

The Drama Club delivered a powerful street play performance based on the theme "Bharat." The intent was clear. To celebrate the spirit of India while addressing the pressing reality of social issues, especially the silence surrounding rape culture. The performance opened with energetic and familiar tunes like Tunak Tunak and Urvashi, blended with original lyrics that immediately captured the attention of the crowd gathering around the quadrangle.

Using expressive voice modulation, rhythmic transitions and symbolic formations, including a visually stunning Mahakali sequence paired with Aigiri Nandini, the performers created a gripping atmosphere that left the audience emotionally invested. The performance evolved from satire to intensity, provoking thought while entertaining. The audience responded with cheers, applause and heartfelt appreciation. The performance strengthened the identity of the Drama Club as a team that creates art with purpose, empathy and cultural pride.
