

NEW HORIZON COLLEGE OF ENGINEERING

MovieCon Banner Reveal

17 17/03/2026

📍 Open Stage

🕒 3:00 pm

The Drama Club of NHCE, in collaboration with the Art Club, successfully hosted the Banner Reveal Event for 2026, officially launching this year's festival celebrations. The event featured a vibrant lineup of performances that created excitement and anticipation among the audience.

The program began with an energetic dance performance that immediately set a lively and engaging atmosphere. The performers delivered a visually captivating act with strong choreography and stage presence, drawing enthusiastic responses from the crowd.

This was followed by a fashion showcase that highlighted creativity, confidence, and artistic expression through unique costumes and styling. The performance added elegance and visual appeal to the event while keeping the audience engaged throughout.

One of the major highlights of the reveal was the drama performance featuring a series of monoacts based on iconic fictional and cinematic characters. Each performer brought distinct energy and personality to the stage through expressive acting, dialogue delivery, and dramatic presentation. The monoacts entertained the audience and successfully built excitement and hype leading up to the main reveal.

Following the performances, the official theme and banner for the 2026 festival were unveiled. The reveal marked the most anticipated moment of the evening, receiving an enthusiastic response from the audience as the visual identity and theme, *Greek Utopia* was officially introduced.

The Banner Reveal 2026 event successfully generated excitement and anticipation for the upcoming festival. Through its combination of dance, fashion, and drama, the event created a memorable experience and brought students together in celebration of creativity and performance.
