

LITERARY CLUB REPORT

EVENT NAME: Munsoc Orientation

ORGANIZING CLUB: Literary club

DATE: 19/12/2024

VENUE: Tejas Seminar Hall

On December 19th, the Model United Nations Society (MUNSOC) of NHCE hosted its inaugural orientation session in the Tejas Seminar Hall. The event aimed to familiarize students with the concept of Model United Nations (MUN) and its role in developing skills like diplomacy, public speaking, and critical thinking.

The session commenced with an introduction to MUN, where participants were briefed on its structure and significance. The executive team explained the workings of various committees such as the All India Political Parties Meet (AIPPM) and other international bodies. Students were also introduced to key roles in a MUN, including Chair, Vice Chair, and Secretary General, along with their responsibilities.

A detailed explanation of the Rules of Procedure (ROP) was provided, ensuring participants understood the formalities and protocols that govern MUN debates and proceedings.

A highlight of the session was a discussion on the benefits of participating in MUNs, such as building networks with peers, enhancing leadership abilities, and gaining a deeper understanding of global issues. To inspire the attendees, a few experienced MUN participants shared their personal journeys and memorable experiences from past conferences.

To give newcomers a hands-on experience, a mock MUN was conducted. This activity allowed students to witness the flow of debates, drafting of resolutions, and the dynamic exchange of ideas, helping them get acquainted with the MUN framework.

The orientation concluded on a high note, with participants expressing enthusiasm for the establishment of a dedicated MUN Society at NHCE. This event marked a promising beginning for fostering a culture of debate and diplomacy on campus.
