## LITERARY CLUB REPORT

**EVENT NAME:** Among us In Real Life

**ORGANIZING CLUB:** Literary club

**DATE:** 31/10/2025

**VENUE:** NHCE Campus

**NUMBER OF PARTICIPANTS:** 100-120

On October 31st, the campus came alive with excitement as the AmongUs event was hosted at the Tejas Seminar Hall, NHCE. The event was inspired by the globally popular social-deduction game *Among Us*, and was designed to bring students together in a fun yet intellectually stimulating environment. The objective of the event was not only entertainment, but also to encourage strategic thinking among participants.

The event saw an impressive turnout, with around 120 eager participants. Before the rounds began, all players assembled at the Tejas Seminar Hall — the “HQ” for the event — where the rules, game flow, and safety guidelines were clearly explained, setting the tone for a fair and competitive experience. Students were divided into groups and engaged in multiple gameplay rounds, each filled with anticipation, planning, and dramatic reveals. The unique format of the game required players to take on the roles of either *crewmates* completing tasks, or *impostors* secretly sabotaging the mission.

Throughout the event, participants competed individually, moving across multiple venues to complete fast-paced and engaging tasks such as brainstorming puzzles, lock-opening challenges, crosswords, wheel-spin tasks, pick-and-speak, spell-bee rounds, basketball shots, and creative drawing activities — all while racing to finish each stage and advance to the next. Each match created an atmosphere full of suspense, laughter, and intense strategy. The interactive nature of the event ensured that every participant remained engaged. Each round demanded speed, focus, and creativity, keeping participants highly active and immersed throughout the competition. Finalists from each round advanced to the concluding stage, where speed and clever gameplay determined the winners.

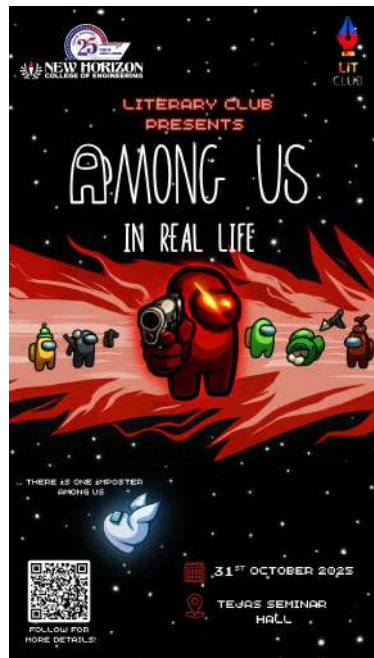

The AmongUs event served as a refreshing and memorable experience for students. It successfully promoted campus engagement and fostered bonding among peers. Overall, the event was a resounding success and left students eagerly anticipating similar activities in the future. The enthusiasm displayed by participants reflected the rising interest in interactive and activity-based events on campus, making AmongUs an all-time favourite among students.

## WINNERS OF THE EVENT:

First Place: Uzair Rizwan 1NH24DS110-T

Second Place: Dheeraj Kumar 1NH23AI158
