EVENT NAME: AMONG US IN REAL LIFE

ORGANIZING CLUB: LITERARY CLUB

DATE: 15th December, 2023.

TIMING: 10:30 a.m. to 4:50 p.m.

VENUE: NHCE Campus

AMONG US IN REAL LIFE

"Among Us in real life" was an immersive and thrilling event held on 15th December, 2023 where participants step into the roles of Crewmates and Imposter, navigating through a series of challenges and tasks scattered across different venues within the college campus. We had an overwhelming response from the students and had over 100 participants.

Rules:

1. One participant is secretly designated as the Imposter, while the remaining 9 take on the roles of Crewmates. The Imposter's mission is to eliminate Crewmates without being identified.

2. Tasks

- Twister Round: Physical agility is tested as Crewmates twist and turn to complete tasks.
- Word Game: A mental challenge awaits Crewmates, testing their vocabulary and quick thinking.
- Spin the Wheel: Luck plays a role as participants spin the wheel to determine their fate in a surprise challenge.
- Pop Culture Quiz: Crewmates prove their knowledge of pop culture in this trivia round.
- Key Hunt: Crewmates search for the correct key to unlock success in this task.
- Logo Guessing: Observational skills come into play as Crewmates decipher various logos.
- JAM: The crewmate has to speak about the given topic chosen by them by picking a chit for a minute.

3. The Imposter must strategically eliminate Crewmates within the designated task venues without getting caught. If the Imposter manages to eliminate 6 Crewmates before the tasks are completed, they emerge victorious.

4. The Crewmate must finish all the tasks across the different venues. If they successfully complete all tasks before the Imposter reaches their quota, the Crewmate claims victory.

With an impressive turnout of over 100 participants, The air was charged with anticipation and strategy as participants immersed themselves in the thrilling atmosphere of our event Among us in real life.

WINNERS:

Winner - P Lakshmi (23AI188)

Runner up- Adrian Brine (23IS010)
