A guest lecture on “BlockChain Technology” was held on 12th August 2017. The guest lecture has been organized by the department of MCA to provide the students with an opportunity to get a head start in BlockChain, which is an emerging technology in the field of Cyber Security and Cyber Law.

The guest lecture began with welcome address by the Head of the Department, MCA, Dr. V Ilango. He has introduced and welcomed Mr. Hariharan Parasuraman, CEO, BeeCrypt io, resource person to deliver the lecture.

Guest Profile:

Mr. Hariharan Parasuraman, CEO, BeeCrypt Io, a Bangalore based Block Chain startup, veteran with 16 years of Industrial experience in leading organizations including AMD, Oracle, L&T, etc.

The session was then continued by Mr Hariharan Parasuraman who began with an introduction to what BlockChain is and how important it is going to be in the near future. Following which, Mr. Hariharan shed light on the benefits and drawbacks of using BlockChain and how effectively it is being used in the industry by Bitcoin and various other crypto currencies.

The session ended with a hearty thanks and presenting of a memento to Mr. Hariharan by Dr. V Ilango in appreciation for taking the time out to educate the students on BlockChain. He thanked the Management for providing the platform to organize guest lectures on innovative technologies.
He appreciated Faculty members, students volunteers and participants for the successful conduction of the event.

Guest Lecture by Mr. Hariharan Parasuraman on 12.08.17
