**Subject:** Requesting to conduct one day Entrepreneurship Awareness Program for the 3<sup>rd</sup> year students of Civil Engineering Department in association with ACCE.

Dear Sir,

The Department of Civil Engineering in New Horizon College of Engineering was started in the year 2009 and it has been accredited by the **National Board of Accreditation (NBA)** and offers Under Graduate program. The department has a total strength of 454 students, annual intake being 180 students. The curriculum is designed to make the students industry ready and promote a curiosity amongst the students to take up challenges of being entrepreneurs in the various fields of Civil Engineering disciplines by exposing the students in the emerging technologies and software tools that are being used in analyzing, designing, planning and scheduling the construction projects.

As Entrepreneurship Garage has great intention to strengthen the start-ups and promote the way for students to undergo entrepreneurship practices in the college level. So we here by request you the conduct one day Entrepreneurship Awareness Program to nurture the needs of being entrepreneur for a developing India.

Thanking you,

With Regards,

Mr. Sudakar G N  
Department of Civil Engineering,

### A BRIEF REPORT ON ENTREPRENEURSHIP AWARENESS PROGRAMME(EAP)

An Entrepreneurship Awareness Programme is a workshop conducted for the 3<sup>rd</sup> year students of the department from 9:30 am to 12:30 pm on 02/02/2020. The welcome address was given by **Mr. Sudakar G N**, Department of Civil Engineering. **Dr.P S Niranjan**, Professor, and Head spoke about the importance of Entrepreneurship Awareness Program for the students of Civil Engineering. The Resource person of the work shop was introduced to the participants by **Mr. Surendra B V**, Associate Professor of Civil Engineering Department.

Mr. Prakash Choudhary, Co-founder & CEO Entrepreneurship garage, deliberated the workshop to the students and conducted few activities to boost their curiosity. The gist of the program is to create awareness among faculty and students of Engineering and Science courses about various facets of entrepreneurship as an alternative career option as also to highlight the merits of pursuing such an option. Moreover, this program also aims to bring together the experts from industries, government agencies working in the field of entrepreneurship and students of Science & Technology and Humanities in order to provide a forum for the free and fruitful exchange of ideas and information for becoming an entrepreneur.

The program was fruitful. It brought a great awareness for the students of Civil Engineering to involve in practicing entrepreneurship and involved fully in generating new ideas to become an entrepreneur in the various fields of Civil Engineering.
