Dear sir,

**Subject: Regarding webinar on Topic, "Significant career advantage through deep-technical skills & civil engineering managerial acumen", on behalf of Avishkar Club**

We are extremely pleased to have you as a resource person for webinar titled, "Significant career advantage through deep-technical skills & civil engineering managerial acumen", conducted on 12.11.2020. The participants, students, as well as faculties have been immensely benefitted by your expertise on this topic. Your session was informative and interactive and has created a lot of interest amongst the students in the topic you had covered.

Hoping for further participation from your end in workshops/ Expert lectures/ symposium that would be arranged in our institution.

Thanking you

Dr. Niranjan P S  
Professor & HOD  
Department of  
civil engineering,  
NHCE

## Department of Civil Engineering

### REPORT ON WEBINAR

Date: 12/11/2020

With the blessings of NHEI Management, having constant encouragements of our respected Chairman Dr. Mohan Manghnani, and Principal Dr. Manjunatha a WEBINAR is conducted in order to enhance online learning skills of our faculties and students, the department of Civil Engineering hosted on the following schedule and the topic:

Topic: **“Significant career advantage through deep-technical skills & civil engineering managerial acumen”**

Date: 12<sup>th</sup> November, 2020

Resource person: Er.H R Girish, CEO & MD, Girish Ventures

Time: 12:00 AM to 1:30 PM

#### Description:

- The discussion starts by addressing the apparent gap between academic programs for engineering students and the requirement of industry skills.
- A list of vital employability skills from the standpoint of engineering students follows up with the discussion on how to potentially develop such skills through campus life.
- Communication skills have been added in all engineering courses with the aim to improve their performance in placements.
- Students were made aware of the skills they possess and how they can work on packaging their candidature around a few skills.
- The speaker concludes that the combination of both employability skills along with an engineering degree should ensure students to meet the high expectations of the employers.

Program: For this Webinar, registration link using Zoom ID and password was created. The link was circulated among registered participants, faculties and students of Civil Engineering, and faculties of other departments. More than 100 participants both Teaching Faculty Members and Students have participated. At the beginning, Dr. P.S. Niranjan HOD gave a welcome address to the participants and after the presentation Dr. Jagadeesh C B., professor, CED, delivered the vote of thanks.
