In association with

Indian Concrete Institute (ICI)

Organizes

Expert Lecture

On

**BENGALURU
CHAPTER**

**'ISCOT – APPLICATION OF BIM – LATEST
TRENDS IN CIVIL ENGINEERING**

By

Mr. Anil Ghaste

Technical Director,

INAMATI BUILDING, U B HILL, DHARWAD - 580007

Date: 25.09.2019

Time: 11.00 AM

Venue

Room No: C 221

Department of Civil Engineering

All are cordially invited

Date: 20.09.2019

To
The Principal
New Horizon college of Engineering
Bangalore

Through Professor and Head, Department of Civil Engineering

Respected sir,

Subject: Permission to conduct Expert Lecture on Topic, "ISCOT – Application of BIM – Latest trends in Civil Engineering in association with ICI, Bengaluru chapter"

The department of Civil Engineering would like to organize an expert Lecture on the above topic. The resource person is Mr. Anil Ghaste, Technical director, Inamati Building, U B Hill, Dharwad. The event is scheduled on 25.09.2019 at 11.00 AM in the department of civil engineering. Hence I request for your permission for the successful conduction of the lecture.

Thanking you

Mr. Surendra B V
Associate Professor
Department of civil engineering, NHCE

Dr. Niranjana P S
Professor & HOD
Department of
civil engineering,
NHCE

To
Mr. Anil Ghaste
Technical Director
Inamati Building, U B Hill, Dharwad

Date: 26.09.2019

Dear sir,

Subject: Regarding expert lecture titled "ISCOT – Application of BIM – Latest trends in Civil Engineering", in association with ICI, Bengaluru chapter

We are extremely pleased to have you as a resource person for expert lecture titled, "ISCOT – Application of BIM – Latest trends in Civil Engineering", conducted on 25.09.2019 for V and VII semester students. The students, as well as faculties have been immensely benefitted by your expertise on this topic. Your session was informative and interactive and has created a lot of interest amongst the students in the topic you had covered.

Hoping for further participation from your end in workshops/ Expert lectures/ symposium that would be arranged in our institution.

Thanking you

Dr. Niranjana P S
Professor & HOD
Department of
civil engineering,

NHCE

Date: 26.09.2019

REPORT

The Expert Lecture was held on 25.09.2019 for 5th and 7th Semester Civil Engineering students. The Program began with an invocation song by group of students. The welcome address was given by **Dr. Giriprasad C**, Associate Professor, Department of Civil Engineering.

Dr.P S Niranjan, Professor, and Head spoke about the importance of the skillset requirements among civil engineers.

The Resource person was introduced to the participants by **Mr. Surendra B V**, Associate Professor of Civil Engineering Department.

Mr. Anil Ghaste, the Resource person, deliberated the whole session with case studies and brain storming sessions involving active participation of the students in many related hands on activities.

The Vote of thanks was delivered by **Dr. Vinay Kumar B M**, Associate Professor, Department of Civil Engineering.

The excerpt of his Expert Lecture is as follows:

Building information modeling (BIM) is one of the most promising recent developments in the architecture, engineering, and construction (AEC) industry. With BIM technology, an accurate virtual model of a building is digitally constructed. This model, known as a building information model, can be used for planning, design, construction, and operation of the facility. It helps architects, engineers, and constructors visualize what is to be built in a simulated environment to identify any potential design, construction, or operational issues.

For any project there are various stages concept, schematic, detailed design and construction. As the design progress, all these stages can be modelled in 3D BIM environment and one can actually see the project development throughout these stages and make the changes to come up with efficient design. This is the first major application of BIM, developing the well-coordinated all disciplines model, having all clashes and errors resolved.

Once the model is ready, all the required construction drawings and documents can be extracted from it, in order to replicate the construction that is already done in the computer. This is the second major BIM application.

Other applications are, refining the model as per site specific changes in order to produce as built model and improving the construction efficiency. As-built model can be helpful in maintaining the services and building throughout its lifetime. Construction plan, procurement plan, BOQs etc. can be extracted from BIM to improve the overall efficiency of the construction activity at site.

Resource person Mr. Anil Ghaste addressing the students

Mr. Anil Ghaste discussing with students

FEEDBACK FORM

USN. INH17CV004 Name of the Student: ABHISHEK.P.

Topic: **ISCOT'- application of BIM- Latest trends in Civil Engineering**

Name of the Speaker: **Mr. Anil Ghaste**

If you attended the lecture we would like to make sure that the sessions were relevant and useful. Give your appropriate feedback to make the future lectures more beneficial for you.

Please '(Tick ✓)' the option you find most suitable.

SL No	Particular	Extremely Good	Good	Quite Good	Poor
1.	How was the overall organization of the event?	✓			
2.	How relevant was the content discussed by the speaker?		✓		
3.	Are you satisfied with the time and venue?	✓			
4.	How much interesting this session was for you?		✓		
5.	How was your preparation about the topic before the session?	✓			
6.	Did the session cover what you were expecting?		✓		
7.	What is your opinion about the speaker?	✓			
8.	How much this session was useful from the knowledge and information point of view	✓			
9.	Overall effectiveness of the program	✓			

Additional comments and suggestions for future
