INDUSTRIAL VISIT TO

On April 3, 2019 from 9:15 AM-2:00 PM

A batch of 27 VI semester students and a faculty coordinator Mrs. Rafega Begam of Department of Information Science and Engineering visited the world's most comprehensive drug development company COVANCE, dedicated to advancing healthcare and delivering Solutions Made Real.

The students were taken to the conference hall where Ms. Jyotsna Ravi, HR, gave a brief introduction about unique perspectives of Covance which is built from decades of scientific expertise and precision delivery of largest volume of drug development data in the world along with their innovative technology solutions that helps their clients identify new approaches and anticipate tomorrow's challenges as they evolve.

Mr. Bimalendu Mandal, Programming Lead, addressed the students about how programming skills can be put together in a such pharmaceutical industry to transform today's healthcare challenges into tomorrow's solution. He also enlightened students about Clinical Development Management (CDM) tools, electronic-Clinical Report Format (e-CRF) and EDC tools usage.

Later, Mr. Avinash Kumar, Programming Lead, gave a detailed description about how Biometrics Business, Food and Drug Approval (FDA) played an important role in offering laboratory testing services to the chemical/agrochemical industries and are a market leader in toxicology services, central laboratory services, discovery services and a top global provider of Phase III clinical trial management services.

Five students of New Horizon College of Engineering who are currently pursuing their internship at Covance gave a note on the Mission, Vision and Values of Covance.

Mission is to improve health and improve lives.

Vision is to be recognized by clients as the undisputed leader in providing drug development services, *trusted partner* whose hallmarks are and proven track record of integrating and streamlining the development process.

Values are to strive for operational and service excellence through a relentless focus on People, Process and Clients.

Right after this, the students were called out for the 12 floors company tour by the New Horizon Interns who described about the work that takes place in each floor and how it gets collaborated at each stage.

This Industrial visit was concluded by Ms. Jyotsna Ravi, HR by providing cupcakes and signing off.
