A MONTHLY NEWSPAPER FOR THE STUDENTS AND BY THE STUDENTS

Bangalore, July 2019

CMM/BHE/DECL/NPP - 230 / 10 / 2033

"Leaders are not born, they are made". Our principal, Ms. Anupama Sethi started off her speech with this quote for our Investiture Ceremony 2019-20. It is an event where the New Horizon's student council is appointed and allotted their designated badges. It's a great day of pride for the council, their families and the entire school. They are meant to lead, to motivate, to make people and also the school better and disciplined. It is quite a responsibility, but the members selected are definitely worthy of carrying it. The event began with a speech by Nikita Patwardhan. The choir, sang a hymn. The audience was then asked to sit down and watch as the school captains, vice captains and sports captains were presented their badges. The event progressed in an orderly manner. The house captains and vice captains of each house were handed over their respective house flags as the students sang their house song. Smriti Banala, the school captain gave a speech where she outlined that the council helps keep things in order and maintains school discipline at all times.

Following her speech was our very own principal who thanked everyone responsible for making the event a success. She thanked the newly appointed council, the former council, the teachers, the Chairman, NHEI, Dr Mohan Manghnani, the students and the choir. The event was well organized, and everything went on smoothly.

FOR ADVERTISEMENTS Promote your brands by advertising in New Horizon Times, For details contact Ms. Vasanthi S R Ph: 080 - 2526 1735 / 2526 1021

RE-OPENING DAY

The time for an exciting academic year has come once again. It is always a pleasure to see excited children with curious eyes, entering the LKg and UKg classes. Proud in the knowledge that they are now a year older, it is with confidence that they head towards their classrooms. For our Nursery little babies, it is a mix of varied emotions that enters the school gate on the re-opening day. Some steps were hesitant, while some were curious. Some are fearful while some were confident. When it comes to fears and gears, parents are not far behind. But as the days go by, all this looks like things of the past and it is sheer joy to see the nursery tiny tots settle into their classrooms just as it is their own home.

TEST YOUR SKILLS

RIDDLES

1. If you give me water I will die.
2. The more you take away the larger it becomes?
3. You can hear it, but not touch it or feel it.
4. What is so delicate that saying its name breaks it?
5. What kind of tree can you carry in your hand?
6. The more you have of it the more you see it.
7. What can you catch but not throw?
8. What can run but can't walk?
9. What never asks questions but is often answered.
10. You can keep it only after giving it to someone else.

COLOUR THE PICTURE

The New Horizon Public School celebrated World Environment Day highlighting the importance of conserving our mother earth. Each child of the Pre Primary division carried home a glass in which he/she had planted tomato seeds. Each step, being placing of the seed or the watering, the children executed the same with utmost care and pride. What better way to make them understand the significance of the day than making them responsible for a healthier Bengaluru. The parents surely must have had an earful, hearing the importance of World Environment Day from our little ones.

The children of the Primary division put up a skit, sang songs and recited poems during the school assembly in order to encourage awareness and take actions for the protection of our environment. Colorful placards and charts were displayed to raise awareness to protect nature.

Numerous activities were conducted to highlight this day. An oral activity was conducted in classes where each child was asked to share their views on how she/he would contribute to make the environment a better place.

The students of the Secondary division also celebrated this day with a small program during the school assembly. The program began with a speech reminding us of the motives and intentions of protecting the environment. It was followed by a poem recital by one of our students. Our school choir, dressed in bright green, enlightened us with a song. We were then encouraged to take simple steps at home to preserve our environment after which Ms. Sylvia addressed the gathering with an inspiring speech giving prominence to the harmful effects on earth. To convey the message of how our everyday actions are destroying our mother earth, a mime act was performed by the students under the guidance of the English department teachers. It was followed by a pledge where the students were asked to conserve the environment and motivate others to do the same. The students were accentuated on how our environment is being destroyed by using plastic. Our Principal gave a speech appreciating all the students who participated in the program.

WORLD ENVIRONMENT DAY

Children came up with simple ideas and solutions which were very enlightening. 'Seed Ball Making' activity was conducted by Science department teachers for Grades 3 and 4 during the week where the children made small soil balls of compost and soil. They were encouraged to plant the seed balls in pots, gardens or in their neighborhood. Card making competition was held for children of Grade 1 where they were encouraged to use natural products to display their creativity. Pot painting competition was conducted for Grade 2. It was indeed a pleasure to watch the little ones create artistic designs with their little hands. Poster making competition was conducted for Grades 3 and 4 with the theme "Save Our Planet". The bright splash of colours on paper symbolized the spirit of enthusiasm for the environment. These activities brought a lot of excitement amongst children and they felt it was essential to plant more trees for a better tomorrow. The teachers were left with nothing but to applaud the children's creations and their budding thoughts.

The collage making competition was organised for the students of Grades 5,6 and 7 in the school premises. The theme was 'Save the Planet'. The students were given ample opportunities to showcase their creativity by assembling different pictures and cut-outs to form collages. The students came up with creative and beautiful posters, expressing the thought to save our planet before it was too late. The poster making competition was held for classes 8, 9 and 10 with the thought 'Save the Planet'. Their creativity made it both eye catching and informative. The students were successful in sending out the message of conserving our planet through their colourful posters.

It was indeed a day that displayed a mixture of remarkable creativity and imagination.

EVENT UPDATES

CARD MAKING COMPETITION – CLASS I

2. Amar Ashish Patro – III B
3. Dhruvika Divvela- III E
4. Sunny Chander – III D
5. Parikshit Bhade- III D
6. Trisha . S – III B
7. Trisha Bhandarkar – III C
8. Arshu Arun – III D

INTERNATIONAL YOGA DAY

International Yoga Day was celebrated by the students with great gusto. Children observed and then practiced basic techniques of Yoga for Health, Yoga for Success, Yoga for Wellbeing, Yoga for peace and Yoga for Joy! Yoga is an invaluable gift of India's ancient tradition. We at New Horizon Public School believe that as Indians, we should be proud of our rich cultural heritage. The growing pressure of our day to day life, peer pressure and meeting people's expectations is very stressful for the students. Inculcating the habit of practicing yoga will have a positive effect on their physical and mental well being. It will also aid in their creativity as yoga embodies the unity of mind and body, thought and action. Let us all make Yoga 'A Way of Life'!

CONGRATULATIONS

Freya Khanna of Std IX represented Karnataka State in the 27th Mini National Volleyball Championship held at Kopergaon Shirdi, Maharashtra from 21st to 26th April, 2019.

"While most are dreaming of Success, winners wake up and work hard to achieve it"
New Horizon Public School Hoopsters Sapling (U-10 Girls) annexed the Infinite Sports Inter School Trophy on 26 June 2019. It was held at BSK 3rd stage, Kathriguppe.
