VEGETABLE PRINTING COMPETITION

Children learn best through sensory experiences and hands-on activities. The vegetable printing competition was a creative and fun activity for children, in which participants used cut vegetables to create unique prints or patterns on paper. It was a great way to encourage artistic expression, explore textures and shapes, and learn about different types of vegetables.

HUNGAMA 2024

"Hungama" event based on the theme 'Blast from the Past' was an exciting way to bring parents into the fold of pre-primary school activity. We started the day's program with shloka chanting to herald the beginning of the celebration. Ms. Aruna Prabhakar was invited to judge the program. Parents took part in this dance competition with great enthusiasm. This competition promoted family engagement and provided a joyous atmosphere for both parents and children. The day was filled with laughter, bonding, and unforgettable memories!

DUSSEHRA CELEBRATION

The corridors of NHPS reverberated with festive fervour as the students and teachers of pre-primary division came together to celebrate Dussehra. This was a delightful and culturally enriching way to introduce our children to the vibrant and colourful world of Indian dance and culture. Dressed in ethnic attire, they danced joyously on the beats of Dandiya also famously known as Garba. Teachers shared the story of how Lord Rama fought the demon king Ravana and rescued his wife, Sita, celebrating the victory of Rama as the festival of Dussehra. The celebration not only highlighted the importance of embracing one's cultural roots, but also offered an opportunity for the teachers and students to experience immense warmth and boundless affection!

COMMUNITY HELPERS DAY

At the pre-primary level, our children are naturally curious about the world around them. They often ask questions like, "Who helps when someone is sick?" or "What does a fire-fighter do?" The Nursery section introduced children to these roles in a relatable and engaging way by dressing in costumes and setting up stalls with real-life objects, which were educational and visually appealing. Community Helpers Day provided an opportunity to answer these questions in a playful and interactive way. By celebrating the everyday heroes who make a difference in their lives, children develop a sense of empathy and respect for them. Through interactive, visual, and hands-on displays, children were able to understand and appreciate the role community helpers' play in contributing to society.

ANNUAL TRIP - GRADE 10

The annual grade 10 class trip was a perfect blend of leisure and spirituality, giving the outgoing batch memories to cherish for a lifetime. Visits to the Udupi Shri Krishna temple, Dharmasthala, Murudeshwar and Kudroli at Mangalore was the perfect opportunity for the children to commune with the Almighty. On the other hand, there was plenty of sun and sand to be enjoyed at the Kaup, Malpe and Panambur beaches. A cruise through the Namaste Delta and a visit to the famous Om Mangalore tiles factory only added to the overall experience. The five days were a fitting jewel in the crown of school day memories the 10th standard students will depart with.
