the rudra factor

Sargam, this year, is set to explore and understand the captivating energy, the glorious power and the enchanting world of **Rudra**!

Let us embody Rudra, the form of Lord Shiva that destroys problems from the root, the one that eradicates evil and the one who staunchly stands against all wrong doings.

It is time to experience sublimity as we immerse ourselves into two days of cosmic synergy weaved through music, dance and unbound exuberance.

The name 'Rudra' translates into - 'The One Who Roars', and now it is time for us to **Roar**, Roar for a better world, Roar against evil, Roar to show the world that we are here and we will change the world!

MEGA EVENT - TANDAV

Tandav, the cosmic dance of Lord Shiva, symbolizes the cosmic cycle of creation and destruction. It represents the interplay of dynamic and static energy flow, signifying the five principles of eternal energy - Srishti (creation), Sthithi (preservation), Samhara (destruction), Tirodhana (illusion) and Anugraha (grace). This dance has a cosmogonic function, in that it rouses dormant energies which then shape the world. Out of the many forms of Tandav, the most famous are:

Rudra Tandava - Symbolizing the destruction of evil in the world and within us. It also signifies getting out of the cycle of birth and death - liberation. Rudra Tandav brings new life after the destruction of evil.

Ananda Tandava - This form of Tandav is the symbol of overwhelming emotions and happiness. It is the true sense of absolute joy of life that is not touched by the mundane world.

The forces gathered and projected in this mesmerizing dance are the powers of evolution, maintenance and dissolution of the world, drawing a parallel to the vibration and movement of atoms and subatomic particles.
